Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., *Munsey Building, Washington, D. C., upon application.)*

Subject Index

ACCOUNTING,
Budgetary estimates preceding accounting period, 287.
Depreciation report of NARUC, 437, 561, 760.
Retroactive treatment of depreciation, 333.
Significance of income tax depreciation, 743.
Suggestions which result in reducing expenses and improving records, 287.

ACQUISITION AND SALE,
Employee rights in utility property sales, 135.

AGRICULTURE,
Market for cold storage electric service, 729.
War service for farmers and small businessmen, 540.

AIR CONDITIONING,
Gas industry sees big revenue producer in, 572.

ALASKA,
Construction of carrier lines to Fairbanks, 399.

AMERICAN POWER & LIGHT,
Analysis, 39.

AMERICAN TRANSIT ASSOCIATION,
Convention in print, 701.

AMERICAN WATER WORKS & ELECTRIC COMPANY,
Analysis, 232.

ASSOCIATED GAS AND ELECTRIC SYSTEM,
Plan of reorganization, 38.

AVIATION,
Air age ahead, 605.
Air lines promise great things for future, 708.
Air warfare, effect on hydro dam building, 611.
Commissioners' views on regulation, 502.

BOMBING,
British utilities successfully combat damage done by, 46.

BUDGET,
Estimates preceding accounting period, 287.

BUSSES,
See Transportation.

CANADA,
Price control in, 445.
Shipshaw power development, 149.

CAPITAL,
Thawing, for postwar industry, 441.

CHARTS,
American Appraisal Company construction cost indexes and graph, 563.
Capitalization outstanding—combined securities of 204 operating utility companies, 175.
Distribution of gross earnings—combined earnings of 204 operating utility companies, 175.
Niagara Hudson systems, 105.
Production of electric energy at all time high, 235.
Thirty-year trend of regulated gas service costs, compared with unregulated living costs, 571
Utility financing, 763.
Vision of the future, 243.
Voting stockholders in certain corporations including the United Corporation, 366.

COAL,
Natural gas *versus,* in postwar era, 442.

COLD STORAGE,
New market for utility service, 729.

COMMISSIONS,
Coöperation between Federal and state commissions, 267.
Expert public advocacy in rate cases, 750.
What the state commissioners are thinking about, 500.

COMMONWEALTH & SOUTHERN CORPORATION,
Analysis, 296.

COMPETITION,
Postwar competition and the gas business, 539.

CONGRESS,
Commissioners' views on proposed Federal Power Act, 504.
FCC investigation, 160, 216, 226, 308, 557.
FCC reorganization plans, 427, 626, 691.
Reformation of laws under which utilities and industry have suffered, 25.

CONSERVATION,
Army helps out in utility-fuel conservation program, 706.
Commissioners' views on, 503.
Nation-wide conservation and the utilities, 414.
Voluntary, gets another chance, 636.

COÖPERATIVES,
See also Rural Electrification.
Federal control over electric co-ops, 170.
Whether refinanced, will be self-liquidating, 406.

CORPORATIONS,
Federal taxes increased nearly one-half, 230.

COSTS,
American Appraisal Company construction cost indexes and graph, 563.
Thirty-year trend of regulated gas service costs, compared with unregulated living costs, 571.

CUSTOMERS,
How not to make a customer opinion survey, 142.

DEPRECIATION,
Income tax significance with respect to, 743.
NARUC report on, 437, 561, 760.
Of streetcars and busses in wartime, 69.
Retroactive treatment of, 333.

DISCRIMINATION,
Social reform strengthens antidiscrimination salient, 619.

"E,"
Why not an "E" for public utilities, 574.

EARNINGS,
Commissioners' views on utility duration earnings, 501.
Distribution of gross earnings—combined earnings of 204 operating utility companies, 175.

ELECTRICITY,
Air warfare, effect on hydro dam building, 611.
Commissioners' views on proposed Federal Power Act, 504.
Comparisons of rank, percentage, and number of electrified farms by states and for United States, 50.
Federal control over electric co-ops, 170.
Federal Power Commission statistics, 40, 434.
Financial record of industry, 772.
How will government power be used after war, 48.
Incremental rate plan, 344.
Nation-wide conservation and the utilities, 414.
OWU voluntary "brownout" plan, 180.
Pooling surplus equipment and supplies, 210.
Postwar power picture forecast, 304.
Postwar problems, immediate consideration urged, 370.
Power industry due for postwar expansion, 242.
Power pools and the war, 378.
Private utilities play important rôle in rural electrification, 302.
Production of electric energy at all time high, shown on chart, 235.
Rankin's tilt with private power windmills, 482.
Regulation began in Bay State, 82.
Service to quick-freeze-and-home-storage equipment, 729.
Shipshaw power development in Canada, 149.
Table of power development, 487.

ELECTRICITY—cont'd
Table showing Bureau of Labor's cost-of-living index with and without cost of electricity, 113.
TVA—its evolution and representations, 597, 677.
TVA's firm foundation, 795.
War service for farmers and small businessmen, 540.
Washington power octopus feels cold breeze, 154.

ELECTRIC POWER & LIGHT CIMPANY,
Analysis, 101.

EMPLOYEES,
See Labor.

ENGINEERS PUBLIC SERVICE,
Analysis, 431.

EUROPE,
Dwellings and density of inhabitants in certain European countries, 21.
Percentage of hospital beds per inhabitant, 23.
Railway nets in some countries in 1937, 15.
Table of power development, 487.

EVIDENCE,
"Canned testimony" speeds case, 235.

FEDERAL COMMUNICATIONS COMMISSION,
Charges of Gestapo tactics, 360.
Congressional investigation, 160, 216, 226, 308, 557.
Coöperation with state commissions, 267.
Extralegal method of extending powers, 292.
Intelligence activities of, attacked, 96.
Reorganization plans in Congress, 427, 626, 691.

FEDERAL POWER COMMISSION,
Commissioners' views on proposed Federal Power Act, 504.
Differing statistics of net income, 434.
FURA volume released, 644.
Senator Bridges attacks, 44.
Statistics on construction budget, power demands, etc., 40.
WPB-FPC gas agreement, 512.

FIFTH FREEDOM,
Private enterprise, 440.

FINANCES,
Record of electric industry, 772.
SEC releases statistical report on operating utility finances, 174.
Statement showing financial statistics of electric and gas operating utilities which are subsidiaries of registered holding companies, 176.

FUEL,
Army helps in utility-fuel conservation program, 706.
Conservation program urged, 241.
National fuel-gas policy wanted, 531.

GAS,
Bright future for industry predicted despite regulatory restraints, 109.
Convention of AGA, 765.
Coal *versus* natural gas in postwar era, 442.
Federal tax law places heavy burden on gas industry, 640.
Gas utilities in wartime Britain, 567.
Industry sees big revenue producer in air conditioning, 572.
National fuel-gas policy wanted, 531.
Nation-wide conservation and the utilities, 414.
Pooling of surplus equipment and supplies, 210.
Postwar competition and the gas business, 539.
Regulation began in Bay State, 82.
State power to prevent export of natural gas, 570.
Thirty-year trend of regulated gas service costs, compared with unregulated living costs, 571.
WPB-FPC gas agreement, 512.

GREAT BRITAIN,
Gas utilities in wartime Britain, 567.
Sleepy stations become busy junctions, 355.
Utilities successfully combat damage done by bombings, 46.

GREEN, GOVERNOR DWIGHT H.
Urges fight for states' rights, 576.

HOLDING COMPANIES,
American Power & Light analysis, 39.
American Water Works & Electric Company analysis, 232.
Associated Gas plan of reorganization, 38.
Commonwealth & Southern corporation analysis, 296.
Competitive bidding for securities, 498, 695.
Electric Power & Light Company analysis, 101.
Engineers Public Service analysis, 431.
Federal income and excess profits taxes 1941–1942, 231.
National Power & Light analysis, 166.
Optimistic forecast on holding company securities, 496.
Purpose of Holding Company Act, 379.
United Corporation analysis, 365.

ICKES, HAROLD L.,
Rise of the little man with the big hands, 806.

INDEX PRICES,
American Appraisal Company construction cost indexes and graph, 563.

INDUSTRIES,
Threat of socialization hits, 638.

INFLATION,
Bureau of Labor's cost-of-living index with and without cost of electricity, 113.
Manufacturers' publication warns against, in postwar period, 246.
Utility executives discuss, 106.
What is anti-inflation policy, 51.

INVENTORIES,
Pooling of surplus equipment and supplies, 210.

JOURNAL COMMERCE AND COMMERCIAL,
Publishes compendium of utility articles, 236.

LABOR,
Eastman modifies "featherbed" rules, 311.
Employee rights in utility property sales, 135.
Government as employer, attitude toward, 671.
Industrial relations and utility labor, 477.
National Association of Personnel Directors expands, 444.
National War Labor Board grants increase to telephone operators, 34.
Pension plans, increase in number of, 177.
Postwar mass employment in public works, 15.
Public utility efficiency and postwar employment, 465, 547.
Social reform strengthens its antidiscrimination salient, 619.

MASSACHUSETTS,
Utility regulation began in Bay State, 82.

MATERIALS AND SUPPLIES,
Pooling of surplus equipment and supplies, 210.

MOTOR CARRIERS,
American Transit Association convention, 701.
Commissioners' views on regulation, 503.
Passenger traffic after war, 736.
Sleepy stations become busy junctions, 355.

MUNICIPAL PLANTS,
Revenue bonds discussed, 224.

NATIONAL ASSOCIATION OF MANUFACTURERS,
Science and industry plans for future, 372.

NATIONAL ASSOCIATION OF PERSONNEL DIRECTORS,
Expansion of, 444.

NATIONAL ASSOCIATION OF RAILROAD AND UTILITIES COMMISSIONERS,
Convention of, in Chicago, 446.
Depreciation report of, 437, 561, 760.

NATIONAL POWER & LIGHT,
Analysis, 166.
Dissolution plans speeded, 368.

NATIONAL RURAL ELECTRIC COOPERATIVE ASSOCIATION,
See Rural Electrification.

NATIONAL WAR LABOR BOARD,
Increase granted to telephone operators, 34.

NATURAL GAS,
See Gas.

NEWSPAPERS,
Government-controlled news association, 438.

NEW YORK STATE POWER AUTHORITY,
Explained by Senator Bridges, 44.

NIAGARA HUDSON SYSTEM,
Plan of reorganization and dissolution, 103.

OFFICE OF DEFENSE TRANSPORTATION,
Eastman modifies "featherbed" rules, 311.

OFFICE OF PRICE ADMINISTRATION,
Brookings study favors distribution of pricing powers among agencies, 244.
Commissioners' views on OPA-utility relations, 500.

OLDS, LELAND
Attacks by Senator Bridges, 44.

ORIGINAL COST,
Journal of Commerce publishes compendium of utility articles, 236.

PAYMENT,
Enforcement of cut-off rules, 686.

PENSIONS,
Increase in number of private pension plans, 177.

PEOPLE'S COUNSEL,
Expert public advocacy in utility rate cases, 750.

POLITICS,
Bull market in utilities discounts favorable political developments, 164.
Political sidelights on REA-NRECA controversy, 275.

POSTWAR PLANNING,
Disposal of surplus goods after war, 201.
Immediate consideration of, urged, 370.
Natural gas versus coal in postwar era, 442.
Passenger traffic after war, 736.
Postwar utility financing, 762.
Public utility efficiency and postwar employment, 465, 547.
Thawing capital for postwar industry, 441.
Utility executives discuss, 106.

PRICES,
American Appraisal Company construction cost indexes and graph, 563.
Canadian control of, 445.
Thirty-year trend of regulated gas service costs, compared with unregulated living costs, 571.

PRIVATE ENTERPRISE,
Congressman proposes aid to, 374.
Fifth freedom, 440.

PROPAGANDA,
TVA—its evolution and representations, 597, 677.

PUBLIC OWNERSHIP,
Employee rights in utility property sales, 135.
How will government power be used after the war, 48.
Public power tax muddle in the Northwest, 663.
Public utility efficiency and postwar full employment affected by, 465, 537.
Rankin's tilt with private power windmills, 482.
Seizure of Puerto Rican utilities by government, 814.
Surplus goods to be disposed of, after war, 201.
TVA—its evolution and representations, 597, 677.
TVA's firm foundation, 795.
War service for farmers and small businessmen, 540.
Washington power octopus feels cold breeze, 154.

PUBLIC RELATIONS,
How not to make a customer opinion survey, 142.

PUBLIC UTILITIES,
Bright future for, despite regulatory restraints, 109.
British utilities successfully combat damage done by bombings, 46.
Bull market in utilities discounts favorable political developments, 164.
Capitalization outstanding—combined securities of 204 operating utility companies, 175.
Customer opinion survey, how not to make, 142.
Cut-off rules, enforcement of, 686.
Distribution of gross earnings—combined earnings of 204 operating utility companies, 175.
Efficiency and postwar full employment, 465, 547.
Employee rights in utility property sales, 135.
Federal income and excess profits taxes, 231.
Industrial relations and utility labor, 477.
Nation-wide conservation and the utilities, 414.
New market for service, 729.
Pension plans, increase in number of, 177.
Pooling of surplus equipment and supplies, 210.
Postwar problems, immediate consideration urged, 370.
Power industry due for postwar expansion, 242.
Private uilities play imporant rôle in rural electrification, 302.
Refunding issues "on the fire," 100.

PUBLIC UTILITIES—cont'd
Regulation began in Bay State, 82.
SEC releases statistical report on operating utility finances, 174.
Socialization threat hits many industries, 638.
Social reform strengthens its antidiscrimination salient, 619.
Statement showing financial statistics of electric and gas operating utilities which are subsidiaries of registered holding companies, 176.
Statistical summary on utility bonds and preferred stock, 630.
Stock exchange magazine reveals rise in utility issues, 310.
Straws pointing to a change in the wind, 25.
Valuation, Journal of Commerce publishes compendium of articles, 236.
War taxes and the utilities, 281.
Washington power octopus feels cold breeze, 154.
What the state commissioners are thinking about, 500.
Why not an "E" for, 574.

American Transit Association convention, 701.
Eastman modifies "featherbed" rules, 311.
Railway nets in some countries in 1937, 15.
Sleepy stations become busy junctions, 355.

RANKIN, JOHN E.
Rankin's tilt with private power windmills, 482.

RATES,
Commissioners' views on war rates of utilities, 501, 504, 505.
Expert public advocacy in utility rate cases, 750.
Incremental plan, 344.
Refunds rather than rate cuts during war, 349.
Retroactive reduction, 333.
War taxes and the utilities, 281.

REFUNDS,
Rather than rate cuts during war, 349.

REGULATION,
Beginning of, in Bay State, 82.
Does its job, 570.
Expert public advocacy in utility rate cases, 750.
Retroactive, adopted by some commissions, 333.

RENEGOTIATION,
Commissioners' views on, 502.

REORGANIZATION,
Plan of Niagara Hudson system, 103.

RETURN,
Survey of commission opinion on return, 506.

RURAL ELECTRIFICATION,
Bouquet for Mr. Ellis, 225.
Comparisons of rank, percentage, and number of electrified farms by states and for United States, 50.
Federal control over electric co-ops, 170.
Political sidelights on REA-NRECA controversy, 275.
Private utilities play important rôle, 302.
REA under attack for making loans for other than rural electrification, 107.
Rejoinder by Mr. King, 224.
Trouble within the REA, 705.
True origin of National Rural Electric Cooperative Association, 3.
What's behind attack on National Rural Electric Cooperative Association, 76.
Whether refinanced co-ops will be self-liquidating, 405.

RUSSIA,
Congressman's conclusions as to experiment showing advantage of public ownership, 482.

SCIENCE,
Science and industry plan for future, 372.

SECURITIES,
Bull market in utilities discounts favorable political developments, 164.
Capitalization outstanding—combined securities of 204 operating utility companies, 175.
Competitive bidding data, 498, 695.
Methods of financing in relation to public utility efficiency and postwar full employment, 465, 547.
Record of electric industry, 772.
Refunding operations, 100, 364.
Revenue bonds discussed, 224.
Statistical summary on utility bonds and preferred stock, 630.
Stock exchange magazine reveals rise in utility issues, 310.

SECURITIES AND EXCHANGE COMMISSION,
"Canned testimony" speeds case, 235.
Commissioners' views on SEC-state regulation, 502.

SECURITIES AND EXCHANGE COMMISSION—cont'd
Report to Congress, 104.
Statistical report issued, 174, 706.
Whether turning to more practical course, 224.

SERVICE,
Enforcement of cut-off rules, 686.

SOCIAL SECURITY,
Social, political, and economic costs of, 375.

SOUTH AMERICA,
Table of power development, 487.

STATES,
Commissioners' views on Federal-state regulation, 500.
Governor Green urges fight for states' rights, 576.
Power to prevent export of natural gas, 570.
Washington power octopus feels cold breeze, 154.

STREET RAILWAYS,
See also Transportation.
Passenger traffic after war, 736.

TABLES,
Companies controlled by American Power & Light, 39.
